The U.S. Bangladesh Chamber of Commerce & Industry (USBCCI) welcomes you to our Annual USBCCI BUSINESS EXPO! As one of USBCCI signature events, this expo presents businesses in the region with the opportunity to network and develop valuable strategic partnerships. One of the responsibilities of the USBCCI is to ensure that the small and medium size businesses we serve connect to, and partner with, a variety of corporations and government agencies that provide possibilities for advancement and expansion. At this year's Expo, we will be introducing new elements that will deliver an invigorating, interactive and unforgettable day. This year the date was chosen because of our commitment to provide our businesses with information and advice that will help navigate through today's challenging waters. Take some time to meet the agencies and organizations in our District that can position, promote and support your business. Sit it on workshops and other panels covering topics such as tourism, technology, and international affairs. We at the U.S. Bangladesh Chamber of Commerce & Industry (USBCCI) are so proud of all of our members and partners who have demonstrated unwavering courage in the face of uncertainty. Today, we offer you a day full of opportunities to meet new people, have some fun and make powerful connections.
